Posto Mobile is an extension of our acclaimed Posto Restaurant in Davis Square, Somerville.

Posto Mobile is perfect for entertaining events of any kind and size. We cater for groups as small as 25 and as large as 500.

THE OVEN

The centerpiece of our custom built Posto Mobile Pizza Truck is our authentic Italian wood burning oven.

Pizza is cooked in the wood burning oven at temperatures as high as 900 degrees. They cook for 60-90 seconds and are served immediately, so you can rest assured that your guests are getting the very best Neapolitan style pizza.

THE INGREDIENTS

Flour, water, sea salt and fresh yeast are the only ingredients in our dough. We use the best San Marzano tomatoes from Italy and hand stretch our mozzarella fresh everyday. Both our restaurant and mobile events use locally sourced and sustainably harvested ingredients whenever possible.
