# POSTO

## PRIVATE DINING & CATERING

---

---

Posto is an elegantly appointed venue with subtle contemporary and rustic sophistication. The restaurant is warm and welcoming with soft earth tones on the walls, polished organic floors and is decorated with local art from the surrounding community. In the evening Posto glows with the warmth of candle lights and flickers with the fire from our wood burning oven. In the sunlight, Posto is a bright and cheerful space that can be beautifully appointed at your planners discretion. During seasonable weather all the glass front doors can be open which creates a fantastic open air effect which will be sure to leave a lasting impression on your guests for time to come.
